1st Annual
North Jersey Area Band
Concert Band Festival
May 2, 2017, 6:00pm
Wayne Hills High School

Dear Band Director,

We would like to invite you to participate in the 1st annual North Jersey Area Band Concert Band Festival. The festival will have its inaugural performance at Wayne Hills High School on May 2, 2017.

Each ensemble will have twenty minutes of time on stage to setup, warm up, and perform. The repertoire is entirely at the discretion of the director and should reflect the ensemble's strengths. It is recommended that prior to the festival you select a group of students to recreate your own setup on the stage. Large percussion instruments (timpani, bass drum, gong, chimes, marimba, xylophone, vibraphone, and bells) will be available for you to use as well as cymbals and snare drums.

There will be no awards, but each group participating shall receive a plaque with a rating of Gold, Silver, or Bronze. Judge's sheets and recorded comments shared via Dropbox will also be included with the intent that they will be able to be shared with your students to help improve the overall performance of the ensemble.

Friends and families are encouraged to attend and students are encouraged to stay in the auditorium to hear the other performing ensembles. Light refreshments will be available. Registration is on a first come, first served basis, and is limited to nine or ten ensembles.

Please, do not hesitate to contact me directly with any questions.

Sincerely,

Daniel P. Vazquez
