

Recommendation Letter North Jersey Area Band

Dear Parents,

I would like to nominate your son/daughter to participate in the North Jersey Area Band. Please check the dates of the rehearsals and concert date. There can be no conflicts. If these dates are clear, please let me know if your son/daughter would be interested in participating in this honors band. The students' names will be sent in and I will be notified if their name is selected. There are over 25 schools participating, so the names go into a pool and are chosen randomly. When and if your child is selected, I will notify you.

Thank you for your anticipated cooperation,
