North Jersey Area Band

Bylaws and Handbook (2024 Revision)

The North Jersey Area Band has adopted the following mission statements on Music Education from the New Jersey Music Educators Association. Permission was given by NJMEA in 1997 by then President, Mr. Jim Kain.

Mission Statement of the North Jersey Area Band

The purpose of Music Education is enhanced by the preparation, audition, and performance of selected students within the selected Northern New Jersey schools. This enhancement includes: The preparation for audition, the rehearsal of advanced band music, the exposure to advanced conductors and the performance of said music in a concert setting.

North Jersey Area Band Constitution and Bylaws

The following format was an adopted copy of the NJMEA constitution and Bylaws (revised 1994) with permission granted by NJMEA Region I, President, Mr. Jim Kain in 1997.

Article I – Name

This organization shall be known as the North Jersey Area Band and referred to as the NJAB. NJAB is incorporated as a not-for-profit, independent, corporation under Title 15, Section 1-12 of the newly revised Statutes of the State of New Jersey.

Article II – Membership

Section 1 – Charter Membership

A defining purpose of NJAB is to allow students to have a Region I audition performance experience within the confines of a much smaller participation membership. NJAB was designed in 1960 to be approximately half the size of NJ Region I, allowing for more students from the Northern New Jersey area to experience a high caliber, selected performance experience in the Wind Ensemble, Symphonic Band, Junior High Band, and HS/JHS Percussion Ensembles. Schools are added and dropped from the NJAB in accordance with the guidelines set forth in Article II, Sections 2-4. The general school membership number is around 38 High School and 25 Junior High/Middle Schools. Approximately half the size of the participating 80-member NJ Region I schools.

Section 2 – The following schools are members of the NJAB (as of January 2024):

High Schools: Butler, Chatham, Columbia, Dover, Hackettstown, Hanover Park, Hawthorne, High Point, Hopatcong, Indian Hills, James Caldwell, Jefferson, Kinnelon, Kittatiny, Lakeland Regional, Lenape Valley, Livingston, Madison, Montville, Morris Hills, Morris Knolls, Morristown, Mountain Lakes, Mount Olive, Newton, Nutley, Parsippany, Parsippany Hills, Passaic Valley, Pequannock, Randolph, Vernon, Wayne Hills, Wayne Valley, West Essex, West Milford, West Morris Central, West Morris Mendham, West Orange, Whippany Park.

Junior High/Middle Schools: Anthony Wayne, Briarcliff, Byram, Chatham, Dover, East Hanover, Frankford Twp, Frelinghuysen, Glen Meadow, Hackettstown, Jefferson, Kittatiny, Lincoln Park, Little Falls MS #1, Long Pond, Long Valley, Macopin, Martin J. Ryerson, Memorial, Mendham, Mount Olive, Pearl R. Miller,

Pequannock Valley, Randolph, Rockaway Valley, Richard Butler, Schuyler Colfax, Sussex, Thomas Jefferson, Valleyview.

Any music teacher within the NJ Region I jurisdiction holding a New Jersey B.S. degree or college degree in Music Education can be voted in as a member of the NJAB. New schools can be included by:

- 1) In the case of the transfer of a current NJAB director member to a non-member school, the NJAB membership will remain with the school, not the director. *If the director's new school is within the geographic (NJAB) area, the director may apply for immediate membership which will be voted on by the member schools.* In the case of a vertical move (High School to Junior High/Junior High to High School), membership will not be automatic. The Executive Board will consider and discuss membership of that director's new school, taking into consideration the current standings of NJAB membership. (See Article XVI)
- 2) Election by the NJAB membership. This may take place only when a member school has either resigned their membership or has been declared ineligible.

A waiting list/pool of schools who wish to become members of the NJAB will be established and recorded by the Secretary and reviewed by the general membership at the January meeting. If a school drops out or is declared ineligible, a new school from the waiting list/pool may be added based on geographic area, former status within the NJAB, and the needs of the NJAB. A vote will be taken to add or remove schools from the NJAB at the January meeting. (*See article XIII*)

Section 3 – Any member of the above schools accredited music program may be eligible to audition for that year's December auditions upon their submission of the NJAB formal application with an accurate signature from: the student, Parent/Guardian, Music Director, and Principal/Superintendent of their school. The school must be a current participating NJAB member, and their director must be represented at the December audition. Upon completion of the audition and acceptance into that year's Junior High School, Symphonic Band or Wind Ensemble, the student may be an active member of the NJAB, for that school year only. *See Article XII.*

Section 4 – Any of the above-mentioned schools may be warned, suspended, or lose NJAB membership status for the following offenses:

- Financial debt incurred by lack of student audition payment for that year or past years.
- The absence of the above school director or pre-approved substitute for the purpose of judging the December audition.
- The lack of participation in the NJAB for two consecutive years.
- Any unapproved action taken by a NJAB school or its students within the business of the NJAB.

Section 5 – Probation

- A) In the event a Senior who is accepted into Area Band quits or is dismissed from the ensemble, the member school will be placed on a one-year probation.
- B) To be removed from probation, the director must either attend auditions or send a qualified replacement the following school year, even if no students from that school are auditioning. If the director attends, the probation will be considered revoked, and the school will return to good standing.

- C) Should a school have Seniors quit or be dismissed in consecutive years, that school's continued membership in NJAB will be reviewed by the NJAB Officers.

Article III – Government

The officers of the NJAB shall be the President, Vice President, Treasurer, Secretary, the Past President, and Junior High/Middle School Liaison. Their terms shall run for two consecutive years, and they will be voted in by the general membership during the January meeting. The Vice President moves to the position of President after two years of service. The Treasurer and Secretary are not obligated to move to Vice President and can be voted back in to serve more than two consecutive years if they and the general membership so desire. The Junior High/Middle School President and Vice President will be elected by the Junior High/Middle School membership annually. At no time shall any of the officers and membership receive stipends. A ranked cut list will be created from the students who were nominated but not chosen to audition. This list will become an alternate list and will be used to replace any students no longer participating in the ensemble. Beyond that list being exhausted, the North Jersey Area Band Junior Division President will speak to the conductor and leave it to their discretion as to if more instruments are needed and how they are added.

Article VII – Student Responsibilities

The Junior High/Middle School Concert Band, High School Wind Ensemble, and High School Symphonic Band perform one concert concluding the NJAB January Festival. Due to limited rehearsal time, students are

required to attend all rehearsals and the concert. No absences will be permitted. The rehearsal schedule, unless changed and announced on/or prior to the December audition, is:

- Date of Auditions, end of auditions until 1 pm (Junior High ONLY)
- HS ONLY – Reading Rehearsal the first Monday after auditions 4-7pm
- Monday before the concert 4-8pm
- Thursday before the concert 4-8pm
- Friday before the concert 9-4pm
- Saturday before the concert 9-1pm
- If the conductors desire, there may be a rehearsal on the day of the concert up to 2pm.
Weather changes will also be announced by the managers and given on the NJAB emergency phone line and the NJAB website.

Student membership in the NJAB is from December-January of the given school year. Students are responsible to bring a music stand, given NJAB music, a #2 pencil to rehearsals, and to maintain and return all given music in its original folder at the completion of the January concert. Failure to return music when required will result in a monetary fine to the school of the offending student.

Student behavior during rehearsal and the entire concert is expected to be at the most professional standard. Student attire is to be formal for the concert and announced at the first rehearsal by the managers. Any Freshman, Sophomore or Junior accepted into NJAB and is dismissed for any offense or quit on their own accord will be ineligible to audition the following year. If a Senior is dismissed for any offense or quits on their own accord his/her school will be placed on one-year probation. Refer to page 2, Article II Section 5, which outlines the probation guidelines.

Article VIII – Conductors

Section 1 – The conductors will be nominated and voted upon by all the band directors present at the January meeting. The conductors will be contacted a minimum of six months prior to the NJAB concert by the NJAB officers and/or designated managers. The conductor is to send a program of desired selections for the concert by June 1 to the NJAB President for approval by the NJAB Officers. (For reasons of not repeating a selection within a four-year period, to keep selections within the grade 4-5 national high school standard and to keep the selections varied, i.e. march, orchestral, transcriptions, contemporary, traditional). Each year the conductor for the next year should be contracted by the NJAB officers by September of that concert year. Along with the returned and signed contract, a biography, photograph and proposed program should be submitted by the conductor to the NJAB officers and paid upon the submission of bills and receipts given by the conductor and/or managers. The Junior High/Middle School and HS Symphonic Band conductors do not receive a stipend. A monetary ceiling (around \$1500) should be placed on the amount the NJAB is willing to spend on a Wind Ensemble conductor at the January Meeting by the NJAB.

Junior High Conductors will be selected at the January Meeting for the next Area Band season. As a prerequisite, all Conductors must have served as a Manager for the JHS Ensemble. The conductor is to send a program of desired selections for the concert three months prior to the concert to the NJAB President for approval by the NJAB Officers. (For reasons of not repeating a selection within a four-year period, to keep selections within the grade 1.5-3 national junior high school standard and to keep the selections varied, i.e. march, orchestral, transcriptions, contemporary, traditional).

Section 2 – Conductor Duties

The conductor of the Junior High/Middle School Band, High School Wind Ensemble and Symphonic Band must submit a program, biography, and any instrumental requests to the NJAB President by June 1. The conductor is responsible for planning and directing the 4 rehearsals leading up to the concert: Thursday 4pm-8pm, Friday 9am-4pm, Saturday 9am-1pm, and the concert Sunday 3-6pm. The NJAB HS Wind Ensemble conductor should return his/her contract as soon as possible.

Article IX – Publications/Advertisements

At no time, will any publication of information be allowed for distribution to the general membership of the NJAB without the NJAB President and NJAB officer approval. Advertisements must be representing NJAB schools only.

Article X – Limitation of Responsibility of Elected Officers

No member of the NJAB shall be required to accept personal financial responsibility for duly authorized bills or obligations, suits, or litigations which may develop from authorized activities of this organization carried out in good faith and in the pursuit of the objectives, purposes and activities prescribed by these bylaws of the NJAB.

Article XI – Fiscal Administrative Membership Year

The fiscal and administrative year shall be from July 1 through June 30.

Article XII – Student Eligibility

The following rules shall govern the eligibility of students to audition for membership in the NJAB performing ensembles:

- A) The student must be a faithful member of the current NJAB school's performing ensembles and must receive the endorsement of the band director and principal/superintendent of the school. The student must also receive the endorsement of their parents or guardians understanding the rehearsal, performance, behavior, and commitment to the NJAB. The student must remain an active member in good standing of said school's performing groups throughout the NJAB experience.
- B) The student must pay all application fees prior to the audition.
- C) Home schooled students may participate in the NJAB provided they are an active member of their town's music program. Sponsorship will be at the discretion of the NJAB director member. Home schooled students will be held to the same commitment and responsibilities as public-school students.
- D) Student behavior during rehearsals and the concert is expected to be at the most professional standard. Anything less can be grounds for dismissal from the NJAB ensemble.

Article XIII – Teacher Eligibility

The student's eligibility is further dependent upon the fulfillment of the following requirements by his/her music teacher:

- A) The teacher must attend the December NJAB audition and serve as an adjudicator, supervisor, or as assigned by the audition chairperson.

- B) If the teacher cannot attend the audition, he/she must be excused by the NJAB President and Vice President/Auditions Chair as well as find a pre-approved substitute to fulfill that school's judging commitment. The substitute name and credentials must be submitted to the NJAB President and Vice President a minimum of 1 week prior to the audition. Any extenuating circumstances will be reviewed by the executive board and resolved by executive decision. (i.e. alternate assignment for the teacher that missed).
- C) If the teacher is absent and has not fulfilled their NJAB judging and supervising commitment, that teacher's school will be placed on a one-year warning/probation. If this problem occurs again within a succeeding year, the teacher, school, and students may be dismissed from the NJAB pending a review by the executive board. *See Article VII.*
- D) If a director attends auditions, but does not send students for two consecutive years, the NJAB Executive board will review the situation with the teacher and determine a course of action that best serves the school in question and the NJAB.

Article XIV – Rules of Order

Robert Rules of Order shall govern all business meetings of the NJAB.

Article XV – Amendments

The Bylaws may be altered or amended at the January meeting by vote of the general NJAB teaching school membership. Proposals for such alterations and amendments must be presented to the current NJAB administration one week prior to the January meeting.

Article XVI – Retaining NJAB Status upon Teachers Changing Schools

In the case of the transfer of a current NJAB director member to a non-member school, the NJAB membership will remain with the school, not the director. *If the director's new school is within the geographic (NJAB) area, the director may apply for immediate membership which will be voted on by the member schools.* In the case of a vertical move (High School to Junior High/Junior High to High School), membership will not be automatic. The Executive Board will consider and discuss membership of that director's new school, taking into consideration the current standings of NJAB membership.

Article XVII – Dissolution Statement

Upon the dissolution of the corporation the NJAB officers shall, after payment of all liabilities, dispose of all assets of the corporation exclusively for the purposes and in such manners or to such organization organized and operated exclusively for charitable, educational, religious or scientific purposes as shall at the time qualify for exemption under section 501 C (3) of the Internal Revenue Code of 1954.

Article XVIII – The Organization of the Concert Festival in January

The delegation of conductors and managers include hotel site and travel arrangements for the Wind Ensemble conductor, the delegation to the managers for folders and music for the High School Symphonic Band and Wind Ensemble. The current and past need is for a facility with a 1000 seat capacity concert hall and a large enough band room(s), chorus room(s) and cafeteria to accommodate 3 large bands rehearsing simultaneously. *See Festival Host's Handbook in Appendix B.*

Article XIX – Managerial Responsibilities

The elected managers for the NJAB Wind Ensemble and Symphonic Band must take care of the following duties:

Section 1 – Prior to Auditions: Contact division conductor for program. Secure an adequate number of musical parts for the ensemble and prepare folders (from a local music distributor or other source). Prepare manager’s letter for students in the ensemble, including directions to festival school, web site, and phone numbers.

Section 2 – Arrangements to be made: Contact host at rehearsal site to arrange for stands, chairs, risers and other rehearsal equipment as needed (including percussion equipment). Arrange for mealtimes. Contact conductors for special arrangements such as: seating plans, unusual instrumental problems, and special rehearsal needs. Secure housing and travel arrangements as necessary. Coordinate and supervise the gift for the conductor. Provide the host school with seating plans. Provide information to the program chairperson to include: performance program, ensemble roster, list of managers and conductor biography.

Section 3 – Duties during rehearsals: Arrive early to all rehearsals and assist the conductor at all times. Take attendance and keep accurate records, which will be turned into the President. Make all necessary announcements. Supervise the students at all times. Verify and supervise rehearsal schedule arrangements. At the first rehearsal, distribute music folders to students.

See Manager’s Duties & Guidelines in Appendix C.

Article XX – Ratification of the NJAB Bylaws and Handbook

The purpose of this document is to instruct and guide future officers and members of the NJAB. The current membership of 2023/2024 will be asked to review this handbook sent to them one week prior to the January Directors Meeting. The final edition and ratification of this handbook will take place at the January 2024 meeting. Upon ratification, copies of the document will be made available to all teaching members. A committee (from January through September of each year) will maintain and amend this handbook. This document will become binding from September through the January Festival of each year. (This document was amended and brought up to date at the January 2024 annual meeting).

Audition Host's Handbook (Submitted by Matthew J. Paterno)

Being the audition host for the North Jersey Area Band is not a difficult job, but it does require a great deal of advanced planning. The following is a guide that may help you to organize that plan.

- I. **Reserving the Facilities:** As far in advance as possible, file a “Building in use permit” for our entire indoor facility (excluding gyms). Will you use all of this space for auditions, probably not, but don’t forget about the quiet you will need for auditions and rehearsals, as well as parking for all the participants. If someone decides to plan a craft fair on the same day, space will quickly run out. Other factors to consider:
 - 1) **Custodial Help:** Does your school charge outside groups? If so, how much and what will they help with throughout the day.
 - 2) **Certificate of Insurance:** Most schools require a hold harmless indemnification from any outside group using their facilities. File it with your permit to save time and phone calls.
 - 3) **How many audition rooms you will need:** Several weeks in advance of the audition date, contact both the HS and JHS Audition Chairpersons to discuss the number of rooms they will need. Don’t forget the director’s room for the morning meetings and lunch and a tabulation room. (Put the tabulation room in a secure location so directors do not have access to it.) If possible, place the Junior High and High School rooms apart from one another, as their schedules run differently.
 - 4) **Large rehearsal room:** You will need one large rehearsal room to be used by the Junior High Band from 10am-2pm.
 - 5) **Warm-up Areas:** Both the HS and JHS students will need areas to leave their cases and warm-up. The JHS can usually use the large rehearsal room for equipment and rehearsal. The HS students will need a cafeteria or gymnasium.

Once the equipment and the rooms have been set up for rehearsals, the rest of the day is on “auto pilot”. Check periodically with the band managers to make sure they have everything they need and relax..... You have earned it! After rehearsals are over, make sure any borrowed equipment has been returned to you and return any left behind folders, etc., to the band managers.

- II. **Get Help:** This is too big a job for one person to do, so enlist some help.
 - 1) **Parents:** Arrange for some parents to sell lunch in the cafeteria. It doesn’t need to be fancy (i.e. hotdogs, chips, and drinks) and can be used as a Band Booster fundraiser.
 - 2) **Students:** You will need some students to take refreshments around to the judges during auditions. Also, assign a few students to help direct people around the building and to act as runners for you.
- III. **Directions:** Make sure the audition chairperson is given accurate directions to your school. Remember that people will be driving from all over the area to get to your school. Put up signs around your school directing people to the audition and rehearsal rooms. It may not seem like a big deal, but people do appreciate it.

Appendix D

Audition Chair Guidelines (Submitted by Meredith Boyan)

1. Contact college Music Education programs to recruit volunteers for audition day - moderators, hallway monitors, score runners, and JHS moderators. It's always good to have more than you need in the event that some don't show up day-of.
2. Make judging assignments based on instrument requests. Try to rotate assignments from year to year where appropriate so all directors have a chance at their primary instrument.
3. Prepare audition folders with the following contents:
 - 3 pencils
 - Index card for scales
 - Solo
 - Sight reading
 - Judges Tally Sheets
 - Inclusions
 - Range Sheet
 - Scale Requirements
4. Communicate with the auditions host regarding room assignments and other needs.
5. Once data entry gives the go-ahead, assign student audition times. The following formula was used by VP 2014-16 with moderate success:
 - 5 students per half hour in single rooms
 - 8 students per half hour in split rooms (solo / scales + sight reading)
 - 3-4 students per half hour for traps
6. Percussion is a challenge to assign because of all the doublings. It works well to have the same judges do 2 rooms (Snare + Timpani/Piano + Traps) to make less overlap with students' times.
7. Doublers - Make sure to give doublers a reasonable time in between their auditions when possible.
8. Day of auditions - Oversee all rooms, check in that judges don't have any questions. Manage the pulling of sheets 30 minutes after audition time and generate a no-show list for judges.
9. Retain score sheets until the end of the festival week. Sometimes directors will contact you after audition day to verify scores.
10. Audition hotline - VP 2014-16 used a Google voice number (rings to whatever phone number you designate) to give to students to call in the event they have an issue with auditions. In the event of a traffic incident, broken instrument, or other unforeseen issues, students could contact the hotline to notify the Audition chair so their sheet would not be pulled. Others called to report no-show. The phone number can be listed on the cover letter that gets sent to directors and students with audition times.
